RPL - CPP30411 - CERTIFICATE III IN SECURITY OPERATIONS

The Firearms Training Unit of Competency “ CPPSEC3008A - Control security risk situations using firearms” (5 days Full Time) can be completed by itself provided that the Applicant has a valid Certificate III in Security Operations at the 2007 or 2011 standards containing the minimum Units that SA Consumer and Business Services requires for this security licence endorsement.

In this case an RPL process will need to be conducted. See below for RPL procedures.

This firearms component of this course may only be completed through Full Time attendance only at our training centre which has a 20 metre indoor firearms range attached.

PRE COURSE ASSESSMENT (H6 FIREARMS LICENCE TRAINING COURSE)

Persons that wish to undertake the H6 Security Firearms Licence Course need to undertake a pre-course assessment to determine suitability and aptitude for the full course program. The assessment will take around one hour to complete.

This is designed to prevent students that are not likely to pass the full course from wasting valuable time and money.

The cost of the assessment is \$110. This will help cover the cost of ammunition, firearm wear and tear and instructor time required to conduct the assessment. This fee is taken off the price of the full firearms course fee for those that are accepted onto the 5 day firearms training course.

Call us on **8231 4888** during office hours to arrange a suitable time.

FULL TRAINING COURSE FEES: \$1595 (including up to 800 rds of ammunition)
